

# TARGETED TEMPERATURE MANAGEMENT ACADEMY

A live global post-arrest discussion

The Penn TTM Academy is an initiative dedicated to post-arrest care education and the application of targeted temperature management (TTM). Building on the success of TTM Academy programs\*, we are launching a new format of “office hours”.

“Office Hours” with Dr. Benjamin Abella and TTM Academy Faculty

where you can submit questions for discussion and hear from our post-arrest care experts. We will hold this program monthly, to answer your questions about post-arrest TTM dosing, protocol development, neuroprognostication and other key topics.

Thursday - January 16, 2020  
10:00am EST

BlueJeans Meeting ID: 650 989 8496
