

COURSE OVERVIEW

An important post arrest care TTM2 trial has been published in the NEJM. This European multicenter trial will evaluate TTM at 33C versus low intensity fever control approaches. Join our panel of experts for a review the data presented. There will be time allocated for Q&A.

TARGET AUDIENCE

This conference is designed to meet the educational needs of physicians, advance practice providers, physician assistants, nurses, residents, fellows and students specializing in or with interest in the evaluation and management of targeted temperature management.

EDUCATIONAL OBJECTIVES

Upon completion of this activity, learners should be able to:

- Assess the strengths and weaknesses of the TTM2 trial
- Identify the role of fever management for select patients after cardiac arrest
- Define the role of targeted temperature management for brain injury after cardiac arrest

FACULTY

Program Chair and Moderator

Benjamin S. Abella, MD, MPhil

Professor, Emergency Medicine

Associate Scholar, Center for Clinical Epidemiology and Biostatistics

Vice Chair of Research, Department of Emergency Medicine

Director, Center for Resuscitation Science

Medical Director, Penn Acute Research Collaboration (PARC)

Penn Medicine

Faculty

Ramani Balu, MD, PhD

Professor of Emergency Medicine

Penn Medicine

David Gaieski, MD

Professor of Emergency Medicine

Sidney Kimmel Medical College of Thomas Jefferson University

Michael Kurz, MD, MS-HES, FACEP

Professor of Emergency Medicine

University of Alabama

Sarah Perman, MD

Associate Professor of Emergency Medicine

University of Colorado

ACCREDITATION

In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

DESIGNATION OF CREDIT

Physicians: Penn Medicine designates this live activity for a maximum of **1 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE OF RELEVANT FINANCIAL RELATIONSHIPS

Staff in the Office of Continuing Medical and Interprofessional Education have reported that they have no relevant financial relationships with any commercial interests related to the content of this educational activity.

The following Faculty and Planning Committee member has disclosed that they have **no relevant financial relationships** with any commercial interests related to the content of this educational activity:

Ramani Balu, MD, PhD
David Gaieski, MD

Michael Kurz, MD, MS-HES, FACEP
Sarah Perman, MD

The following faculty have reported the listed **relevant** financial relationships with commercial interests related to the content of this educational activity.

FACULTY NAME	NAME OF COMMERCIAL INTEREST	RELATIONSHIP
Benjamin Abella, MD	PhysioControl, Inc.	Grants/Research Support Recipient Honorarium
	Becton Dickinson	Honorarium

Relevant Financial Relationships: Financial relationships are those relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received or expected.

CLAIMING CREDIT

In order for you to claim credit for attending this activity, the Office of Continuing Medical & Interprofessional Education at Penn Medicine must verify your attendance by your name and email as entered when you registered. Please allow 3-4 business days to receive an email with instructions to claim credit.
