VIRTUAL
POST-ARREST CARE AND TARGETED TEMPERATURE MANAGEMENT
A PRACTICAL TRAINING COURSE FOR HEALTH CARE PROVIDERS

CME/CE-ACCREDITED CONFERENCE

FRIDAY, MARCH 19, 2021
9:00 AM – 3:00 PM EST
This conference will be LIVE STREAMED

https://pennmedonline.upenn.edu/ttmacademy/

https://upenn.cloud-cme.com/ttm2021
The purpose of this educational activity is to educate relevant care providers on emergency care of cardiac arrest patients, most specifically to teach about post-arrest care, including the use of targeted temperature management, cardiac catheterization, internal cardiac defibrillator (ICD) consideration and advanced ICU care. In addition to scholarly presentations and discussions, a key goal is to help each attendee discover an integrated, multidisciplinary system of both cardiac arrest and post-cardiac arrest care, through practical experience with cardiac arrest scenarios and exploration of various protocols currently being used around the country. By the conclusion of the course, each attendee will have a firm grasp of developing and implementing a comprehensive in-hospital high quality post-arrest care resuscitation program.

This conference is designed to meet the educational needs of physicians, advance practice providers, physician assistants, nurses, residents, fellows and students specializing in or with interest in the evaluation and management of targeted temperature management.

LEARNING OBJECTIVES

Upon completion of this activity, participants should be able to:

- Review the history, evidence and pathophysiology surrounding the use of TTM in the post-arrest population
- Determine appropriate inclusion and exclusion criteria for post-arrest patients being considered for TTM
- Implement TTM as a therapy for post-cardiac arrest patients at their respective institutions
- Create a working post-resuscitation care and hypothermia protocol for their respective institutions
- Develop a “post-cardiac arrest bundle” of care for their organization
- Explain TTM in the context of a comprehensive resuscitation program to improve cardiac arrest survival, including the use of automatic external defibrillators, CPR quality improvement, and debriefing arrest events

HOSTING DEPARTMENT

Post-arrest Care and Targeted Temperature Management – A Practical Training Course for Health Care Providers is hosted by the Department of Emergency Medicine at the University of Pennsylvania.
MARCH 19, 2021
9:00 AM – 3:00 PM EST
This conference will be LIVE STREAMED

ACCREDITATION
In support of improving patient care, Penn Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

DESIGNATION OF CREDIT
Physicians: Penn Medicine designates this live activity for a maximum of 5.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This program provides 5.25 contact hours.

Physician Assistants: AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society. PAs may receive a maximum of 5.25 Category 1 credits for completing this activity.

Certificates and Transcripts: After the conference has concluded, all participants will receive a follow-up email with instructions and a link with instructions on how to claim their credit. Once participants submit the request for credit, the earned credits will be available for viewing on your transcript or available for printing at https://upenn.cloud-cme.com. Please note that the individual certificate will not be mailed.

CONFERENCE FORMAT
The Post-arrest Care and Targeted Temperature Management – A Practical Training Course for Health Care Providers will be held virtually on Friday, March 19, 2021 by live stream only. The virtual presentation will follow the scheduled agenda in real time. Please Note: You must be signed into the live, virtual stream in real time (EST) in order to receive credit.

REGISTRATION FEES
The registration fees for Post-arrest Care and Targeted Temperature Management – A Practical Training Course for Health Care Providers are $95 for physicians and industry employees; $65 for advance practice providers, physician assistants, nurses, residents, fellows and students.

The registration fee includes live stream access to the conference and access to view the presentations (slides) online. All pre-registered attendees will receive a link and instructions to sign-in and join the virtual conference no later than Wednesday, March 17, 2021.

BE SURE TO CHECK YOUR SPAM BOX FOR EMAILS REGARDING THIS CONFERENCE.

Please register online at https://upenn.cloud-cme.com/TTM2021. See the registration form for mailing information if you must register through the mail. Please note: mailed registrations can take up to 7-21 business days before they are received. We are experiencing longer delays receiving mail due to the COVID-19 pandemic. We encourage all attendees to register online. All registrations will be confirmed by email as long as your registration is received no later than Wednesday, March 17, 2021.
CANCELLATION AND REFUND POLICY

Refund Policy: In order to process refunds for course withdrawals, cancellations must be received in writing by March 5, 2021 (subject to a service charge of $15.00). No refunds will be issued thereafter.

Cancellation Policy: The University reserves the right to cancel or postpone any course due to unforeseen circumstances. In the event of cancellation or postponement, the University will refund registration fees, but is not responsible for related costs or expenses to participants, including cancellation fees assessed by hotels, airlines, and travel agencies.

DISCLOSURES

Penn Medicine, Office of Continuing Medical and Interprofessional Education, adheres to the ACCME Standards for Commercial Support. Faculty disclosure information will be made available in the conference materials and syllabus. Faculty members are also expected to disclose to participants any discussions of off-label and/or investigational uses of pharmaceutical products and devices within their presentations.
With the exception of the guest faculty, the Course Directors & Faculty hold academic and/or clinical appointments from the Perelman School of Medicine at the University of Pennsylvania and Penn Medicine, Philadelphia, PA

**CONFERENCE DIRECTOR**
Benjamin S. Abella, MD, MPhil  
Professor, Emergency Medicine  
Attending Physician, Emergency Medicine  
Associate Scholar, Center for Clinical Epidemiology and Biostatistics  
Vice Chair of Research, Department of Emergency Medicine  
Director, Center for Resuscitation Science  
Medical Director, Penn Acute Research Collaboration (PARC)

**GUEST SPEAKER**
Joseph Tonna, MD, MS, FCCM, FACEP, FAAEM  
Assistant Professor of Cardiothoracic Surgery and Emergency Medicine  
Medical Director, Cardiovascular ICU/Cardiothoracic Critical Care  
Associate Director of Extracorporeal Membrane Oxygenation (ECMO) Services  
Section Head of Cardiothoracic Critical Care  
University of Utah  
Salt Lake City, UT

**SPEAKERS**
Ramani Balu, MD, PhD  
Assistant Professor of Neurology  
Attending Physician, Neuro ICU

Julie Jablonski, DNP, RN, CCRN, CCNS*  
Critical Care Nurse Systems Strategist  
University of Pennsylvania

Daniel M. Kolansky, MD  
Professor of Medicine  
Associate Chief of Clinical Affairs, Cardiovascular Medicine  
Director, Cardiac Care Unit

**DISCUSSION GROUP FACULTY**
Megan F. Burke, MD  
Fellow in Cardiovascular Medicine

Oscar Mitchell, MD  
Fellow in Pulmonary and Critical Care Medicine

Felipe Teran-Merino, MD  
Instructor A of Emergency Medicine

**PATIENT SURVIVOR**
Samantha Fernandez Hernandez, MD  
Neurology Resident  
Baylor College of Medicine  
Houston, TX  
*Nurse Planner*
FRIDAY, MARCH 19, 2021

8:45 AM – 9:00 AM  |  Sign into Virtual Platform
9:00 AM – 9:15 AM  |  Welcome  
                          Benjamin Abella, MD, MPhil
9:15 AM – 9:50 AM  |  Clinical Trials in Post-arrest Care and TTM  
                          Benjamin Abella, MD, MPhil
9:50 AM – 10:05 AM |  Cardiac Arrest Survivor  
                          Samantha Hernandez, MD
10:05 AM – 10:40 AM |  TTM and Neurologic Management  
                          Ramani Balu, MD, PhD
10:40 AM – 11:15 AM |  TTM and Cardiovascular Management  
                          Daniel M. Kolansky, MD
11:15 AM – 11:30 AM |  Break
11:30 AM – 12:05 PM |  Developing a Protocol and Supporting TTM Champions  
                          Julie Jablonski, DNP, RN, CCRN, CCNS
12:05 PM – 12:45 PM |  Post-arrest Care for COVID-19 Patients  
                          Benjamin Abella, MD, MPhil
12:45 PM – 1:15 PM |  Lunch Break
1:15 PM – 1:45 PM  |  Guest Lecture: ECMO for Cardiac Arrest and Post-arrest Care  
                          Joseph Tonna, MD, MS, FCCM, FACEP, FAAEM
1:45 PM – 3:15 PM  |  Group Discussion in Virtual Breakouts
                           DISCUSSION GROUP 1  
                           Neurologic Prognostication and Withdrawal of Care
                           DISCUSSION GROUP 2  
                           Solving Local Implementation Challenges
                           DISCUSSION GROUP 3  
                           Case Discussion A
                           DISCUSSION GROUP 4  
                           Case Discussion B
3:15 PM  |  Adjourn
We strongly encourage you to register for this conference online by check or credit card at https://upenn.cloud-cme.com/TTM2021
